#### HONORING FOX MCKEITHEN

Ms. LANDRIEU. Mr. President, I rise today in sadness to pay tribute to a man who served the State of Louisiana well for over 22 years, our late Secretary of State Fox McKeithen, who passed away over the weekend at his home, lovingly surrounded by friends, family, and admirers.

Walter Fox McKeithen was born on September 8, 1946. He was a young man when he died this weekend. He was the second of six children in a small northern town of Louisiana called Columbia. He was the son of a very well-respected governor whom we fondly called "Big John" McKeithen. He served in the 1960s and is accredited with leading our State of Louisiana at a very tough and tumultuous time in a very progressive and positive direction. Fox McKeithen, the oldest child, took after his father's political skills from an early age. He demonstrated those leadership skills as senior class president at Caldwell Parish High School, and after graduating from Louisiana Tech, he worked as a high school civics teacher and coach.

With his desire to serve the people of Louisiana in a greater role, he was elected to the House of Representatives in 1983. I had the distinct pleasure of working with Fox as a State representative. He went on then to run statewide and was elected Secretary of State. I went on at that same time as State treasurer, and we continued our strong partnership and relationship.

As Secretary of State, however, Fox took his very colorful personality and spirited dedication to make great improvements to an office that was in need of improvement. He modernized the way the State archived its records. He made it easier for businesses to register and get assistance from the Secretary of State's office. Most importantly, he was a friend to local clerks who work diligently in our State to process elections, make sure they are run fairly and openly. He had a very

strong view, as Secretary of State and our chief election commission officer, that registered voters should have a chance to vote. Not a radical notion, but in this day and age not something that always happens. So he worked overtime to make sure the machines were there on time and people were well trained. If the clerks had problems, he himself would step in and give personal attention. So we all owe him a debt of gratitude for his dedication and commitment. In fact, once there was a problem—voting machines were arriving late. He jumped in his own pickup truck and went down to one of our parishes to bring them voting machines.

Perhaps his greatest legacy was the renovation of our old State capitol, a building that sat on the banks of the Mississippi River in decay and abandonment for many years. But with his vision and his leadership, he restored that building to its former grandeur, and now it is a place that is used by many different organizations and appreciated and admired by all the people of our State. When he started this project, people said it could not be done, there was not enough money to do it. But because of his tenaciousness and his hard work and leadership ability, he led a group of leaders both in the public sector and in the private sector to restore our own State capitol and enhanced one of the great communities on the banks of the Mississippi River, right there in our capital city, reminding us of our rich and colorful past.

It was truly an honor for me and many people in Louisiana to serve in public office with Fox McKeithen. He loved Louisiana and he loved serving all of her people. He shared his father's famous campaign slogan, "Won't you h'ep me?" as if it were a question that the people of Louisiana were asking of him. It didn't matter if you were a Democrat or a Republican, rich or poor, from north or south of I-10 or north or south of I-20, he was always there to help you if he could.

A dedicated public servant who gave everything he had to serving our State, Fox McKeithen will be dearly missed. The people of our State owe a great debt of gratitude to Fox and the entire McKeithen family for a legacy of leadership, compassion, and vision for our State. His eldest daughter Marjorie follows in her father's and grandfather's footsteps through her practice of law and effective advocacy for many important programs and initiatives in our State. She is truly carrying on the great McKeithen legacy of service.

So I come to the floor today saddened by the fact but gladdened by the life this man led and certain of his legacy that he left with the people of our State and the many contributions he made over a long and dedicated career.

On behalf of the people of Louisiana, I say our thoughts and prayers are with him and his family at this time.

#### HONORING OUR ARMED FORCES

STAFF SERGEANT TRICIA L. JAMESON

Mr. HAGEL. Mr. President, I rise to express my sympathy over the loss of Tricia L. Jameson of Omaha, NE, a staff sergeant medic in the Nebraska Army National Guard. Staff Sergeant Jameson was killed by an explosion after stopping to treat wounded Marines on July 14 near Trebil in western Iraq. She was 34 years old.

Staff Sergeant Jameson grew up in St. Paul, NE, before moving to Omaha as a teenager. She graduated from Millard South High School in 1989 and attended Central Community College at Columbus, NE, from 1990-91. She spent the last 10 years in the military, working the last 5 years as a health care specialist at the Nebraska Air National Guard base clinic in Lincoln, NE. Staff Sergeant Jameson was a member of the 313th Medical Company of Lincoln and was mobilized to duty in Iraq less than a month ago. Staff Sergeant Jameson volunteered for the assignment. She was not a regular member of the group but a replacement for another soldier. Staff Sergeant Jameson will be remembered as a loyal soldier who had a strong sense of duty, honor, and love of country. Thousands of brave Americans like Staff Sergeant Jameson are currently serving in Iraq.

Staff Sergeant Jameson was preceded in death by her father, Robert Jameson. She is survived by her mother Patricia Marsh of Omaha; brother, Rob Jameson of Omaha; grandmothers Kathryn Jameson of Weeping Water, NE, and Annamae Donahue of Omaha; and fiancé Mike Coldewey of Omaha. Our thoughts and prayers are with them at this difficult time. America is proud of Staff Sergeant Jameson's heroic service and mourns her loss.

I ask my colleagues to join me and all Americans in honoring SSG Tricia L. Jameson.

#### DEPUTY JERRY ORTIZ: IN MEMORIAM

Mrs. BOXER. Mr. President, I rise to honor the memory of Deputy Jerry Ortiz, a 15-year veteran of the Los Angeles County Sheriff's Department, who was tragically killed in the line of duty on June 24, 2005.

As a young child growing up in Southern California, Jerry Ortiz knew that he wanted to dedicate his life to protecting his fellow citizens. So it came as no surprise when he enlisted in the U.S. Army shortly after his graduation from El Monte High School in
